PART V · HARMONY IN MUSIC · 3

# Chords under a melody

The melody is the singer; the chords are the band. To choose a chord for each bar, look at the melody's main notes and pick the cake holding them.

**THE SECRET**

**Look at the melody's main notes, then pick the cake that holds them.**

| C | D | E | F | G | A | B |
|---|---|---|---|---|---|---|
| I, IV | V | I | IV | I, V | IV | V |

*Which cake holds the tune's main notes?*

Every note of C major lives in I, IV or V. C and G live in two: let your ear choose.

1. Look at the **main notes** of the bar: the long ones, and the ones on beats 1 and 3.
2. Find the cake that holds them: **I, IV or V**.
3. Play that chord in the left hand while the right hand plays the tune.

## Twinkle, Twinkle, with its chords

C C G G sit in I (C); A A in IV (F), then G in I; F F in IV, E E in I; D D in V (G), and the last C in I. The chord changes halfway through bars 2, 3 and 4.

## Three ways to play the chord in the left hand

Block: all three at once. Broken: one at a time, up and down. Alberti: low, high, middle, high, named after Domenico Alberti, who loved it.

PART V · HARMONY IN MUSIC · 3 · CONTINUED

EXAMPLE

**Choose the chord: E D C D | E E E**

E D C D | E E E

red = beats 1 and 3

1. **Bar 1:** which notes fall on beats 1 and 3 (red)?
2. **Which cake** holds both of them: I, IV or V?
3. **Bar 2:** E E E. Which cake holds E?

E and C both live in **I**, and so does E: both bars take **I** (C). That is the start of Mary Had a Little Lamb.

GAME

**Pick the cake**

F A F A  D B G B  G E C E

1 2 3

Each bar is in C major. Which cake holds its notes: I, IV or V?

Answer: 1 IV (F A C) · 2 V (G B D) · 3 I (C E G).

TRY IT · 10 SECONDS

**Left hand: C G E G, over and over.**

That is the Alberti bass on the C chord. Keep it going while you hum Twinkle, then try it on F (F C A C) and G (G D B D).

YOU KNOW THIS

**Mozart, Sonata in C, K. 545: the left hand**

The opening left hand is an **Alberti bass**: C G E G is just the C chord, broken into low, high, middle, high; D G F G is G7 (G B D F, without the B). Mozart wrote it an octave higher, starting on middle C.

**Try it.** Play this left hand alone, then add the famous tune: C, E G, B, C D C.

THINK OF IT Like picking a coat for the weather: when the tune changes, change the chord.

TRAP

- × Choosing a chord for a passing note: use the main notes (strong beats, long notes).
- × Playing the left hand louder than the tune: the melody is the star, the chords are the stage.
