HARMONY · CHORDS AND TRIADS · LEARN

Chords and triads

REMEMBER A triad is three notes stacked in 3rds: root, 3rd, 5th. Play one, skip one.

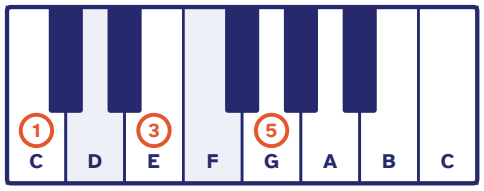

1 Build it ★☆☆

Write the 3rd and the 5th above each root: play one, skip one. The first row is done.

ROOT	3RD	5TH	ROOT	3RD	5TH
C	E	G	G		
D			A		
F			B		

2 On the keyboard ★☆☆

Mark the root, 3rd and 5th of the F triad with 1, 3 and 5. The C triad is done.

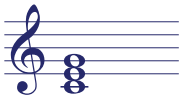

C triad C E G **F triad**

3 Name the triad ★☆☆

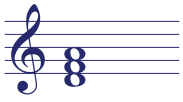

Write the root of each triad: the bottom note names it. The first is done.

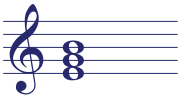

C

4 Play it ★☆☆

Play C, F and G triads, solid then broken, each hand alone. Tick a circle each clean day.

C triad ○ ○ ○ ○ **F triad** ○ ○ ○ ○ **G triad** ○ ○ ○ ○

HARMONY · CHORDS AND TRIADS · USE

Chords and triads

REMEMBER A stacked triad sits on three lines in a row or in three spaces in a row.

1 Lines or spaces?

★☆☆

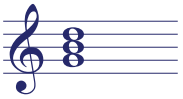

Circle lines or spaces for each triad. The first is done.

(lines) · spaces

lines · spaces

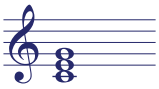

lines · spaces

2 Is it a triad?

★★☆

Circle ✓ if the chord is stacked in 3rds, × if it is not. The first is done.

(✓) · ×

✓ · ×

✓ · ×

✓ · ×

3 Draw it

★★☆

Draw the 3rd and the 5th above each root, as semibreves stacked on top of it. The first is done.

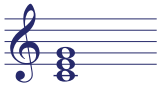

4 Solid or broken?

★☆☆

Circle solid or broken. The first is done.

(solid) · broken
