LESSON 1

Hot Cross Buns

A street cry: bakers sang it in London on Good Friday to sell their spiced buns. It was written down in 1733.

IN THIS SONG **three notes: E D C** **steps down** **walk and run-ning** **black keys first**

1 Say and clap

Say the words in time, then clap them and count: clap on the coral numbers, hold through the grey ones.

THE BEAT **Count 1 2** in every bar, steady as a clock: two beats a bar.
Walk on a beat; run two quick notes in one beat: say *pen-ny*, count *1 +*.

3 Hello, piano

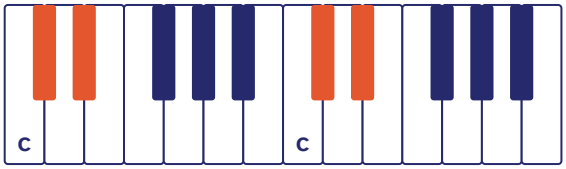

Three things every pianist knows. Read them with your teacher, then try each one.

Your fingers have numbers

Thumbs are 1, little fingers are 5, in both hands. Wiggle each number your teacher calls.

- [ ] **Wiggled 1 to 5, each hand**

Black keys come in twos and threes

Play every group of two black keys, low to high, then every group of three. C is the white key just left of each two.

- [ ] **Found the twos and threes**
- [ ] **Found every C**

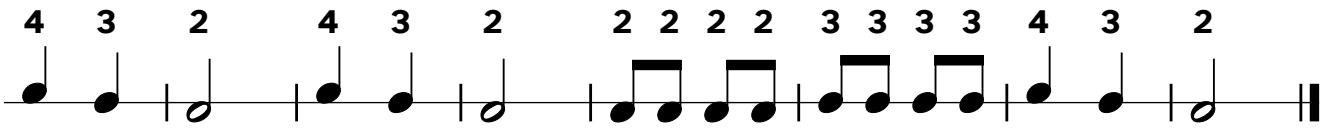

Sit like a pianist

Sit on the front half of the bench, feet flat. Elbows a little in front of you, level with the keys. Round hands, as if holding a small ball.

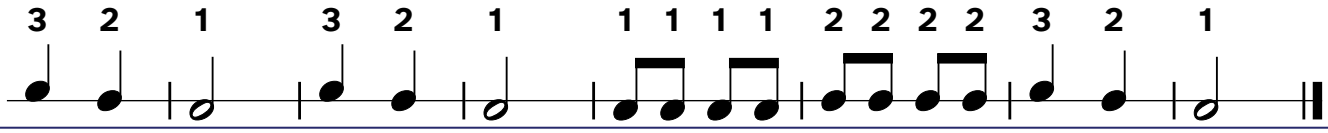

4 Play it

First the three black keys, top one down, with fingers 4 3 2. Then slide down to the white keys E D C and play with 3 2 1. Last, the left hand: 1 on E, 2 on D, 3 on C.
