LESSON 5

Mary had a little lamb

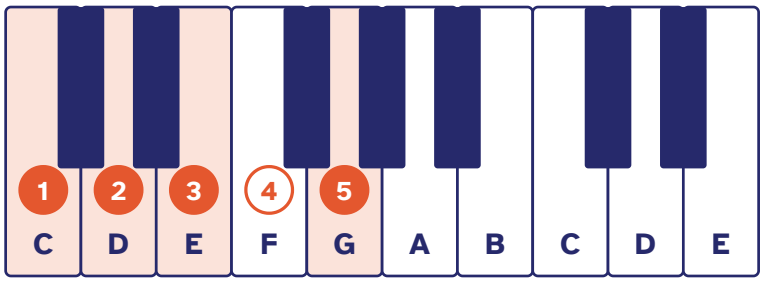

A rhyme by Sarah Josepha Hale, first printed in Boston in 1830, about a lamb that followed a girl to school. We sing it to the tune of *Merrily we roll along*.

IN THIS SONG **crotchet, minim, semibreve** **C position, then G** **chords C and G**

1 Say and clap

Say the words in time, then clap them and count: clap on the coral numbers, hold through the grey ones.

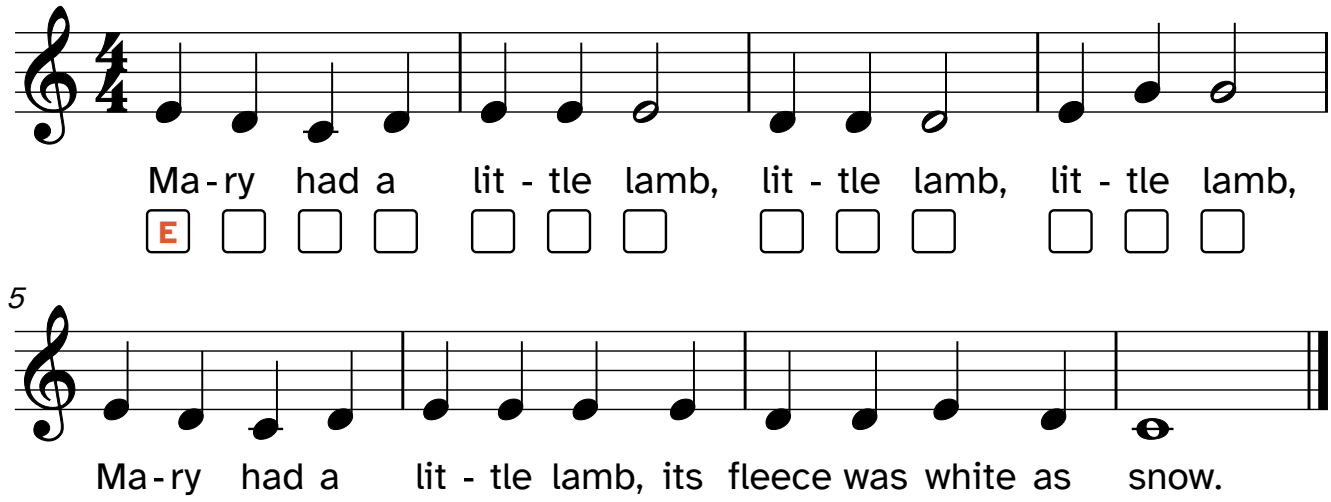

middle C

Your hand: C position. Right thumb on middle C, a finger on each key up to G. The song's notes are lit.

- [ ] **Said it in time**
- [ ] **Clapped and counted**

2 Listen and sing

Listen first, pointing to each note as it sounds. Then sing. Write the letter names of bars 1 to 4 in the boxes; the first one is done.

- ☐ **Listened and pointed**
- ☐ **Sang it with the words**
- ☐ **Wrote the letter names**
- ☐ **Sang it on the letter names**

SCAN ME

3 Play it four ways

One tune, four ways: each adds a little more for the left hand. Your teacher tells you which way is yours this week.

WAY 1 ★☆☆☆ **The tune** Right hand alone. The numbers above the notes are your fingers.

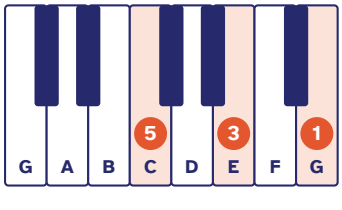

WAY 2 ★★☆☆ **Just the root** Left hand, row 2: each chord's root, finger 5, held all bar. For G your hand moves down to G.

WAY 3 ★★★☆ **Root and fifth** Row 3: add the fifth on top with finger 1, on beats 1 and 3. The ring is the gap Way 4 fills.

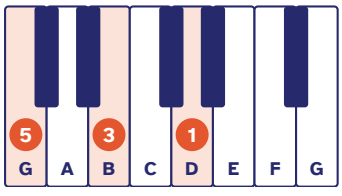

WAY 4 ★★★★ **The whole chord** Row 4: fill the gap with finger 3. C E G for C, G B D for G.

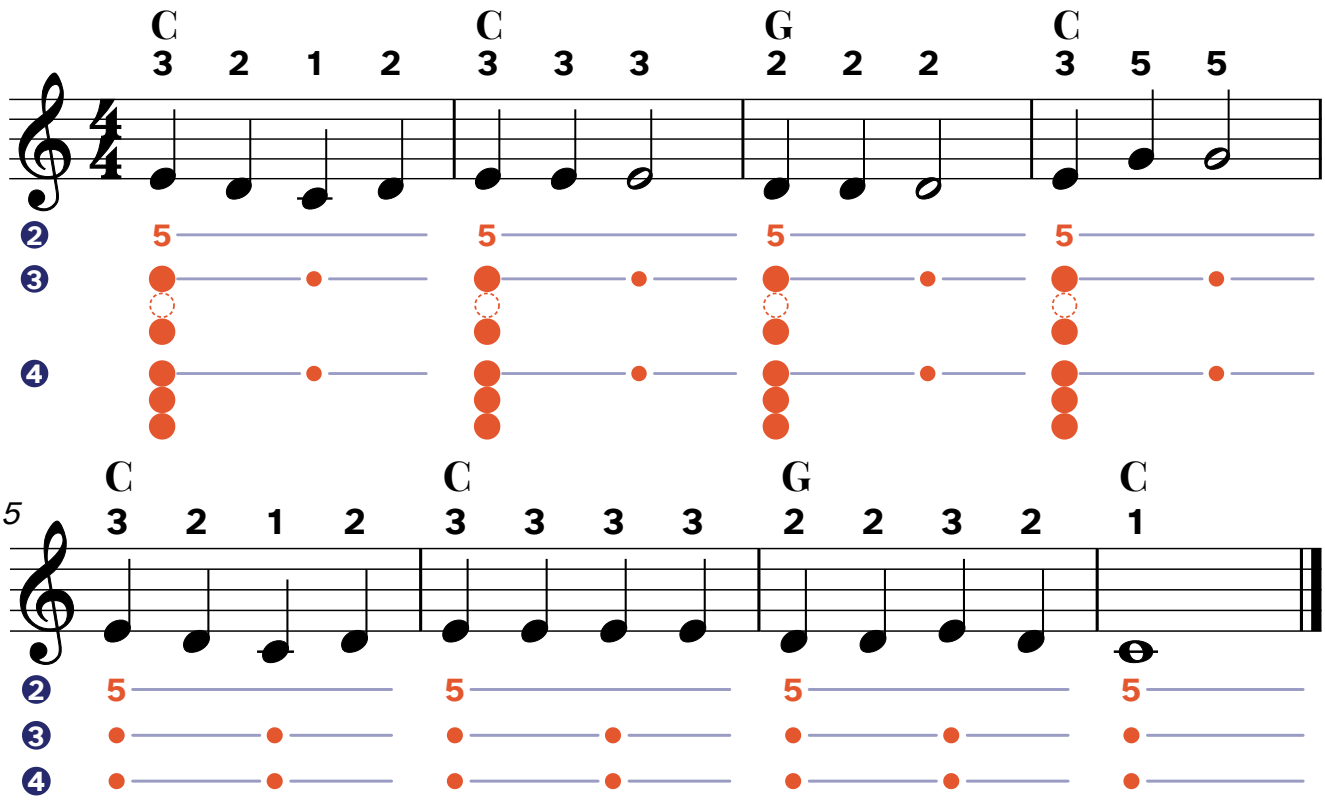

LEFT HAND

C

G

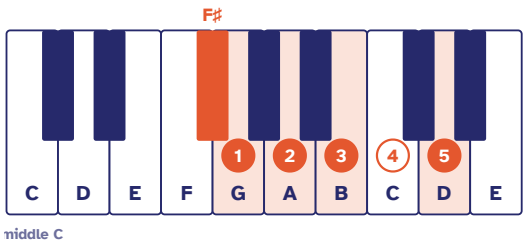

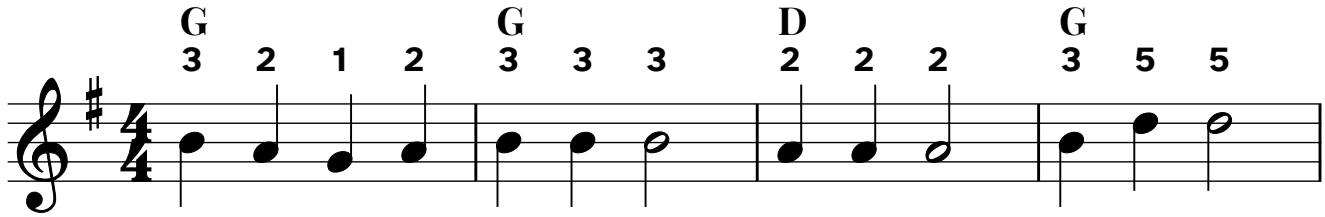

PLAY TOGETHER Two players, one song: one plays Way 1, the other a left-hand row. Then swap.

4 Move it to G

Same fingers, new home: thumb on G, and the tune moves with your hand. The chords move too: C becomes G, G becomes D.

G position. The key of G has one black key, F♯: the sharp sign at the start of the staff. This tune never needs it.
