How this book works

Three things go together: the **Lesson Book** (what your teacher explains), this **Workbook** (what you do), and the **app** (where it makes sound). Every chapter follows the same four stops:

1 · LESSON BOOK
Read one step with your teacher.

→

2 · WORKBOOK
Do that step's page: TOGETHER, AT HOME, PLAY.

→

3 · APP
Scan the page's code: try the step, then play the drill.

→

4 · CHECK-UP
The last page, in the lesson, when every step is done.

Every workbook page has three parts

TOGETHER **In your lesson.** The first few, with your teacher. The first one is always an example, already done for you.

AT HOME **On your own.** The same thing at home -- about 10 minutes. Your teacher writes at the top when it is due.

★ PLAY **Puzzle time.** A puzzle, a game or something to make. Do it last, as your reward!

The strip at the top of each page

It names the lesson step the page belongs to, when it was set and when it is due. The small code opens that very step in the app: scan it **before** the page to see and hear the idea, and **after** the page to play the drill. Your teacher writes the drill level and your best score there.

Lesson step 2 Set 12/3 Due 19/3 about 10 min

Online: scan → lesson step 2 first · then the drill: level 1 best 9/10

In the app

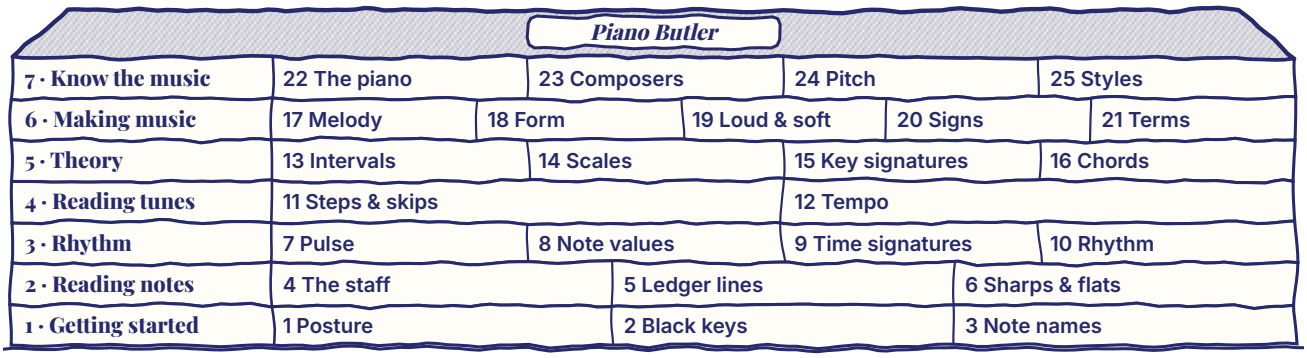

Learn is the lesson: short steps to tap, hear and play. Press **Got it** ✓ at the end of each step.

Drill is the quiz: 10 questions a round, in levels. A level is yours when you get 9 out of 10.

The app has the same path as these books, in the same order, and its **Start here** guide always shows what comes next.

The Piano Butler's house

every floor a stage, every room a chapter -- the same order as the app

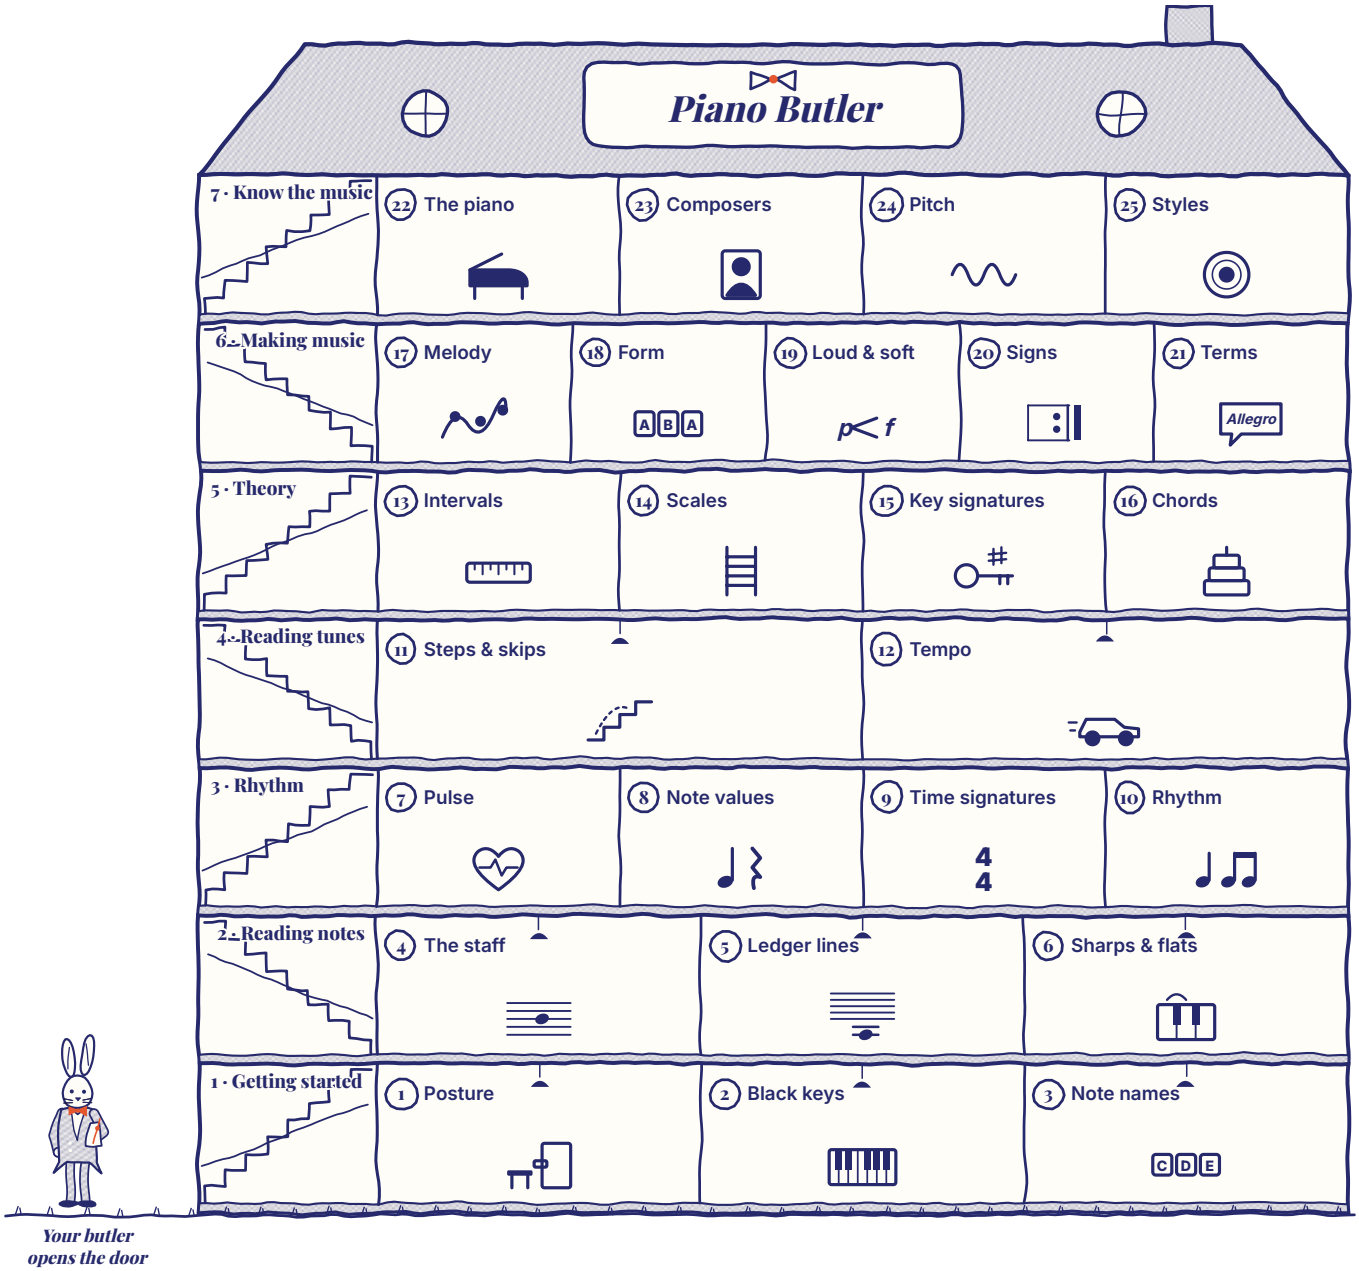

★ **Finished a chapter?** Do its check-up in your lesson, colour in the badge, and turn to the next chapter's map.

YOUR MAP

The Piano Butler's house

Every floor is a stage and every room is a chapter, from the front door up to the attic. When you finish a chapter, **colour in its room**. Draw yourself on the stairs of the floor you are on.

My homework

Your teacher writes the page. You tick it when it is done. Your teacher checks it next lesson -- and you get a sticker!
