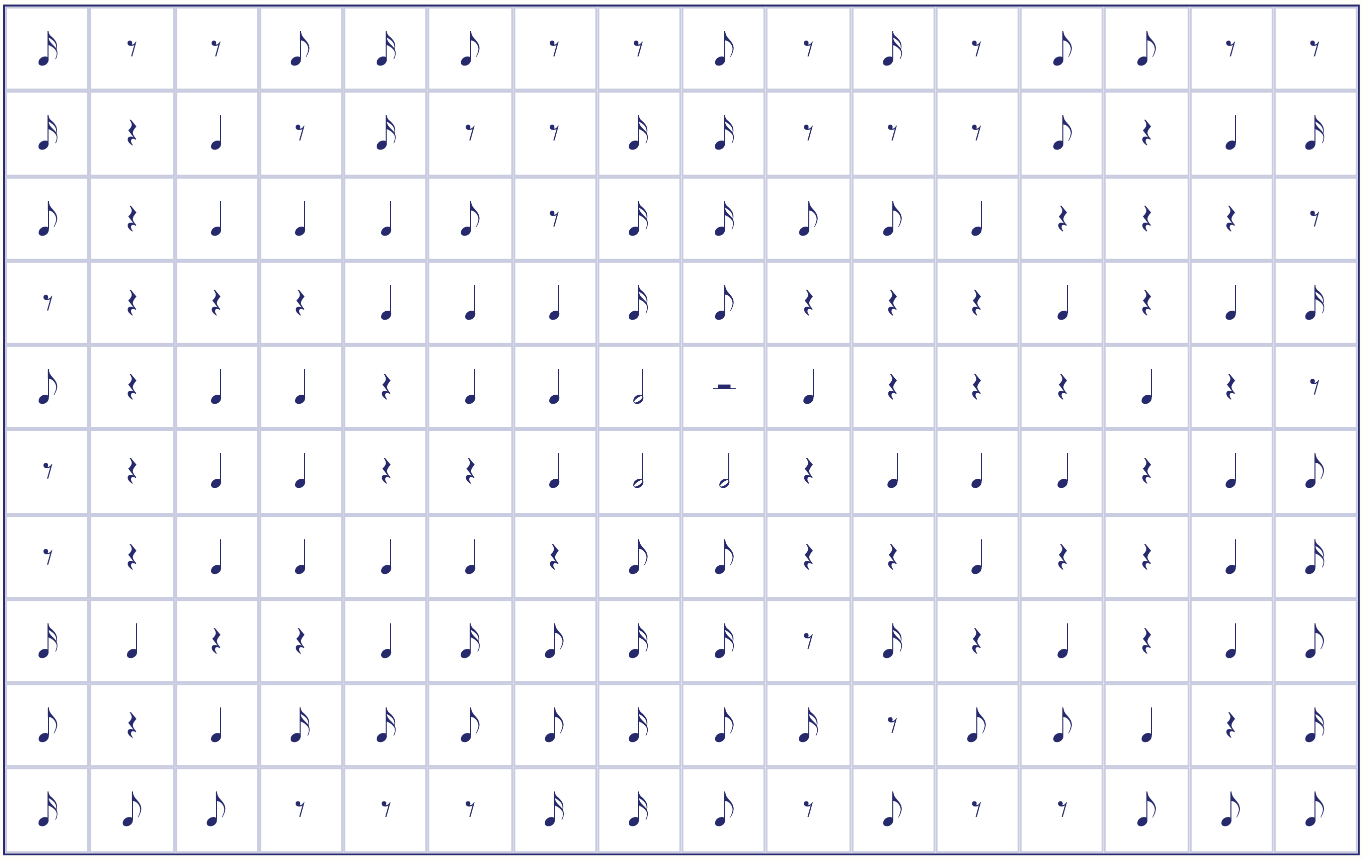
RHYTHM GAME

Colour by beats

Every square holds a note or a rest. Colour it by how many beats it lasts (crotchet = 1 beat). Something will appear.

■ **1 beat: navy** 🟧 **2 beats: coral** ☐ **less than 1 beat: leave white**



Then

Clap the top row from left to right, counting aloud: every note and rest in its place. Then the bottom row, backwards.

Answer, upside down: the Piano Butler's bow tie

RHYTHM GAME

The secret code

Each bar of 4/4 stands for a letter. Clap each bar of the message, find it in the code book, and write its letter underneath.

Your turn

Write your own name in rhythm code, then give it to a friend to decode.

Answers, upside down: ʎ∀˥Ԁ · ONⱯIԀ

RHYTHM GAME

Rhythm bingo

For two to twenty players. The caller cuts out the call cards and claps one at a time (each lasts two beats). Players mark the matching square. Three in a row wins: clap your line back to prove it.

RHYTHM GAME

Race to the double bar

Two to four players, one die, a counter each. Roll and move. Clap the rhythm on your square while counting aloud: if another player agrees it was right, stay; if not, go back to where you were. First to the final bar wins.

Start on square 1.

Harder: play the rhythm on the piano instead of clapping, at ♩ = 80.

Team game: one claps, the other counts aloud.
