LESSON 5

Jingle Bells

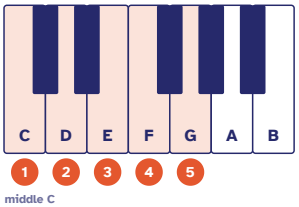

By James Lord Pierpont, published in 1857: a song for a winter sleigh ride.

IN THIS SONG **the same note again** **long notes** **letters on C and G**

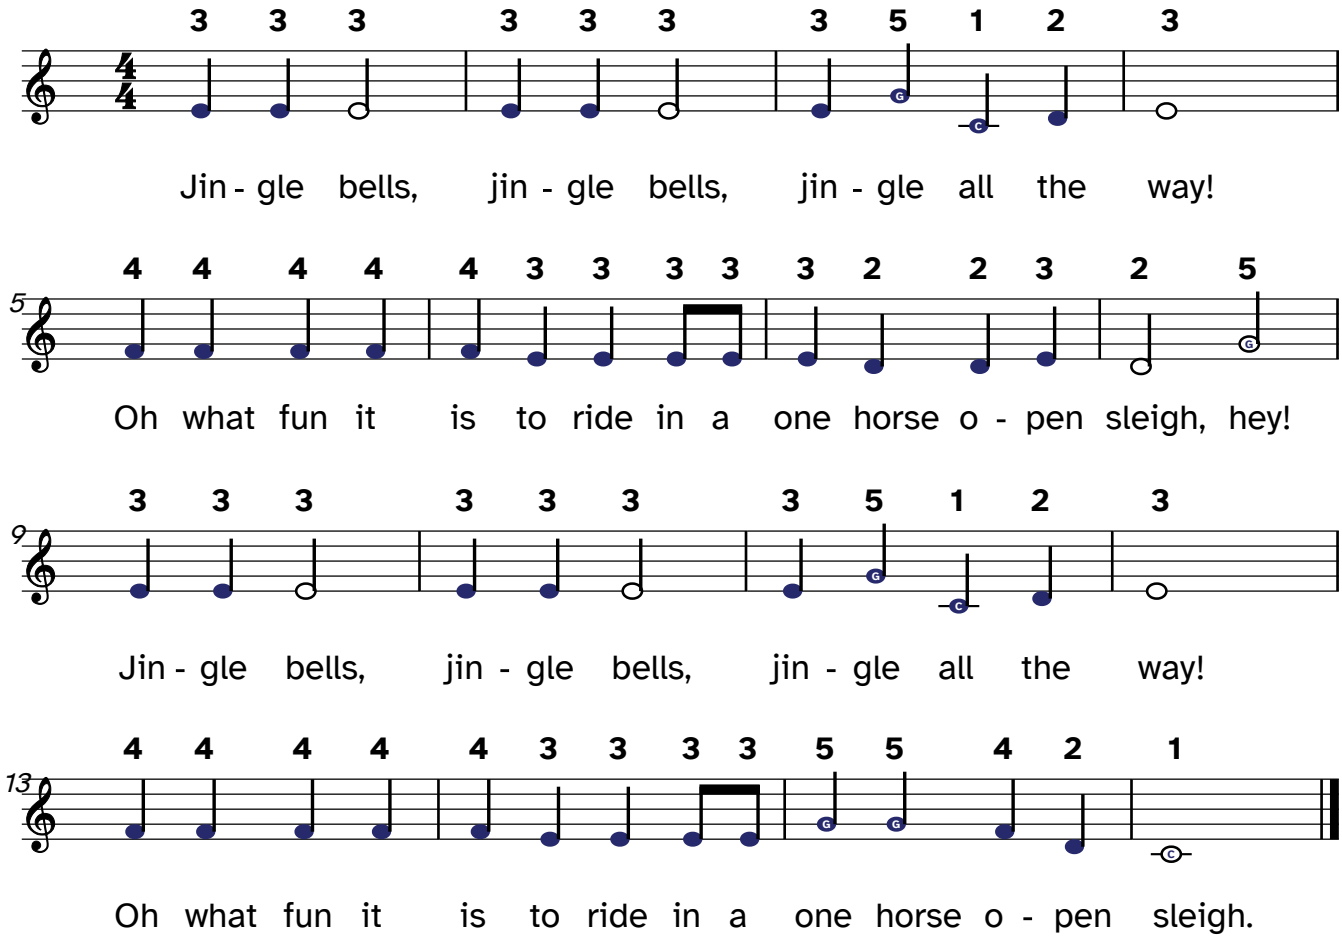

LISTEN FIRST
Scan the code: listen to the whole song once, then hum along the second time.

1 Meet the song

Listen, pointing to each note. Sing it with the words; keep the beat steady through the same notes.

Your hand: the C position. Thumb on middle C, all five fingers up to G.
Only C and G keep their letters now. Find the others from them.

☐ **Listened and pointed** ☐ **Sang it with the words**

2 Take it apart

The same song, one piece at a time: first its rhythm, then its notes.

THE RHYTHM

Say the words in time, then clap them and count: clap on the coral numbers, hold through the grey ones.

THE TIME

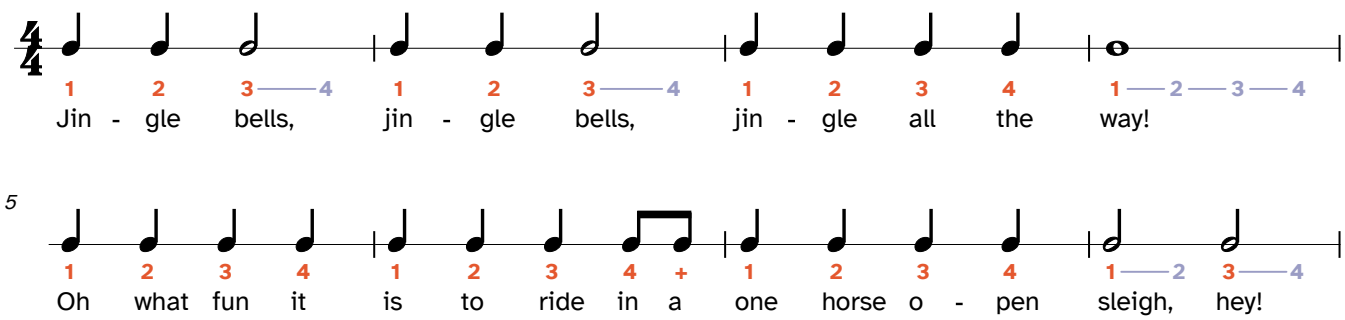

4/4

Top 4: four beats in every bar.

Bottom 4: a crotchet is one beat.

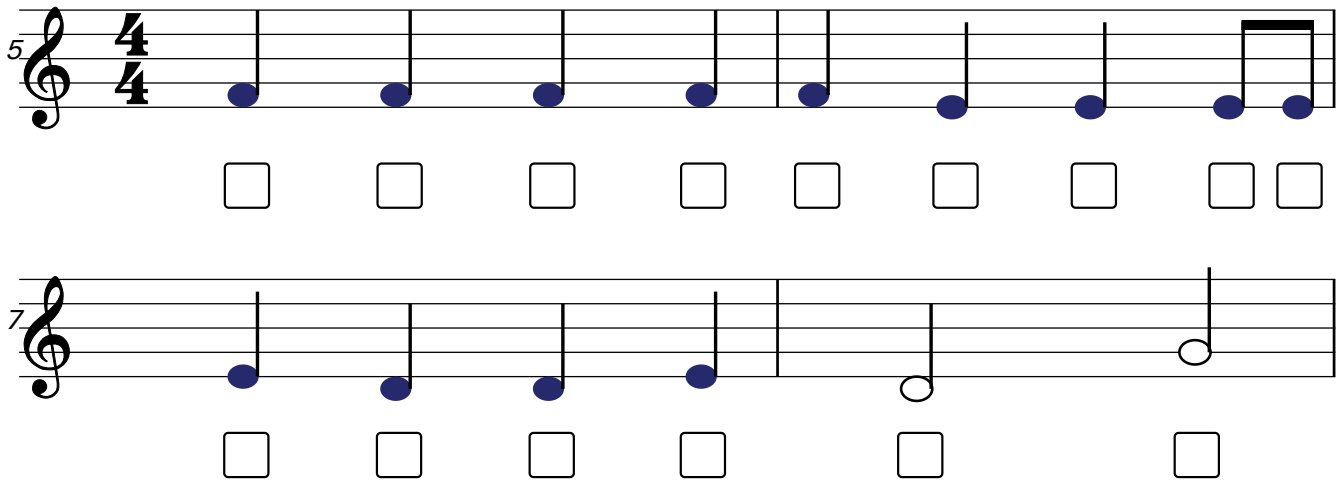

THE NOTES

- **crotchet: walk** — 1 beat ●
- **two quavers: run-ning** — 1 beat ◖◗
- **minim: hold** — 2 beats ●●
- **semibreve: hold-2-3-4** — 4 beats ●●●●

THE NOTES

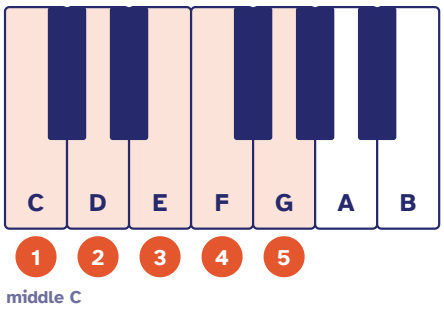

Only C and G are named in the song now. Write the letter under each note of these bars.

- ☐ **Said it in time**
- ☐ **Clapped and counted**
- ☐ **Wrote the letter names**
- ☐ **Held every semibreve for 4**

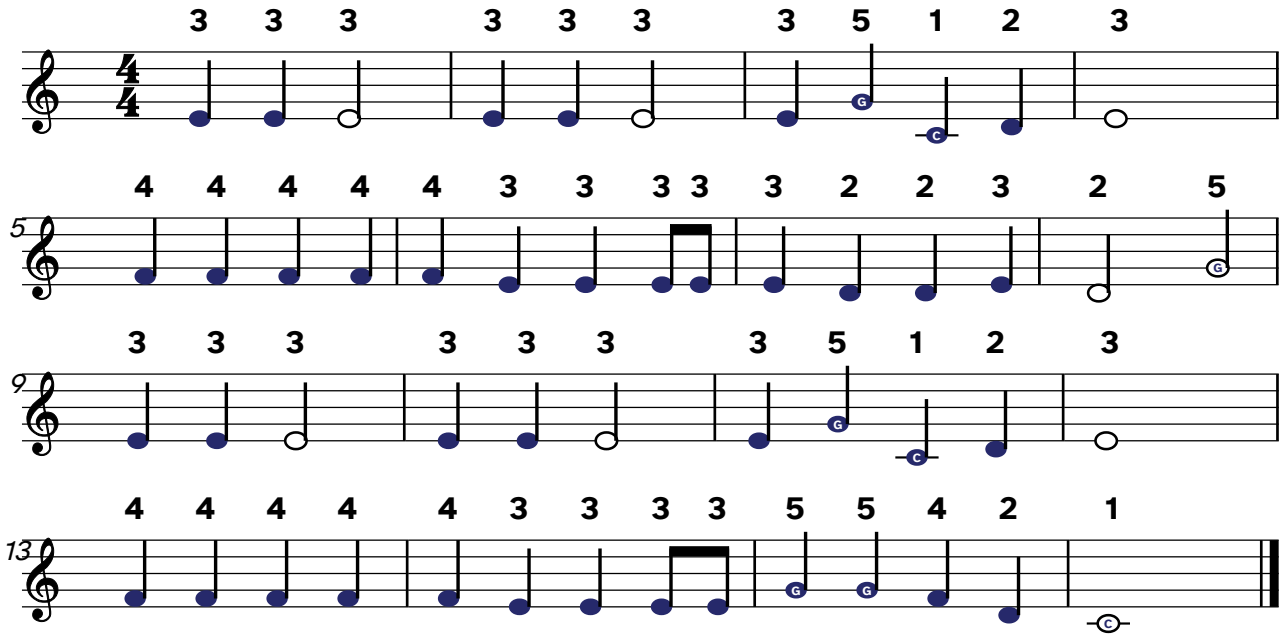

3 Play it

All five fingers in the C position. The right hand plays it all; then the left hand plays the first line, an octave lower.

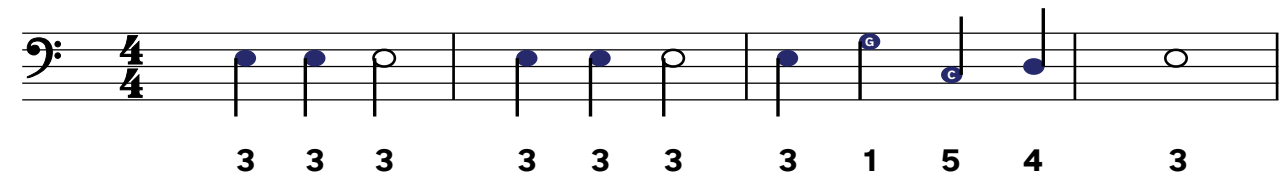

Right hand: thumb on middle C, 1 to 5 up to G. **Left hand:** an octave lower, on the King's staff: his sign's two dots wrap round F. Thumb on G, down to 5 on C.

R RIGHT HAND the whole song

L LEFT HAND line 1, the King's staff, an octave lower

4 · CHECK

- ☐ I can say and clap it
- ☐ I can sing it with the words
- ☐ I can find C and G and count from them

I can play it:

- ☐ Right hand ☐ Left hand

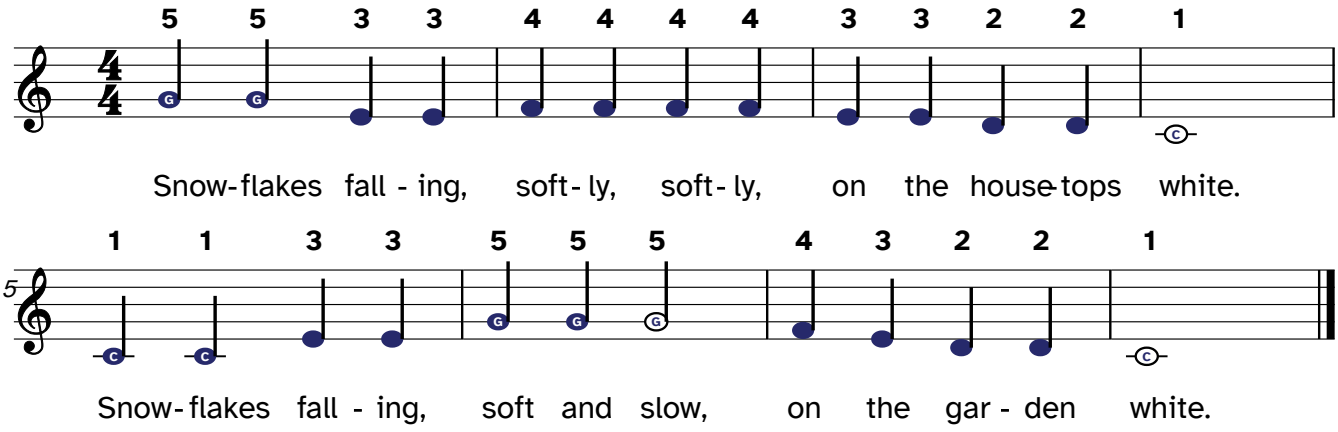

TEACHER ☐ Pass ☐ Not yet

+ More to play

Use what this lesson taught in new ways, then take a first look at the next lesson.

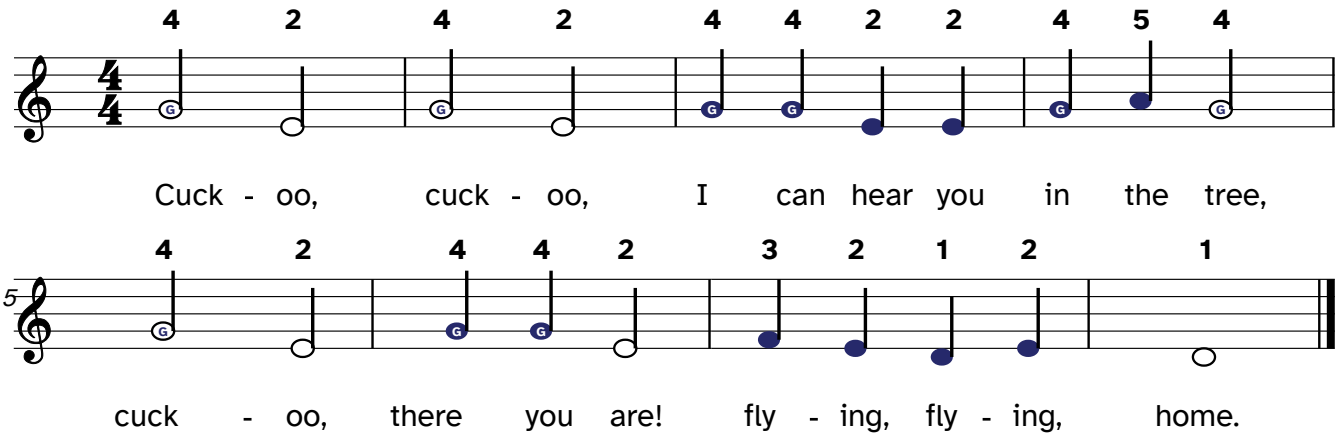

SNOWFLAKES

Soft and slow, like snow: notes that come again, and a long one to hold at the end of each line.

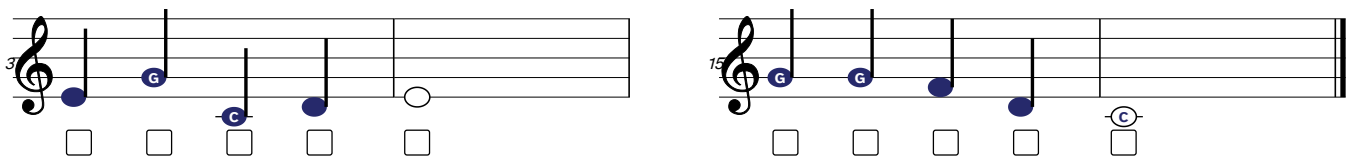

CUCKOO

A peek at Lesson 6: the cuckoo's call, G and E, with fingers 4 and 2. The hand sits one key higher, thumb on D, so finger 5 plays A.

NAME THE NOTES FROM C AND G

Only C and G wear their letters. Find each other note by counting from them: one line or space up is the next letter, one down is the letter before. Write it in the box.

☐ **Played the first tune** ☐ **Played the second tune** ☐ **Named the notes from C and G**
