Cadences

REMEMBER The last two chords of a phrase are its cadence: they say finished, waiting or surprise.

1 Finish the phrase ★☆☆

Write the last chord to make each cadence in C major. The first is done.

CADENCE	CHORDS
perfect	G → **C**
plagal	F → ☐
interrupted	G → ☐
imperfect	C → ☐

2 Cadences in G major ★★☆

Write the two chords of each cadence in G major (V is D, IV is C, vi is Em). The first is done.

CADENCE	CHORDS
perfect	**D → G**
plagal	
imperfect (start on G)	
interrupted	

3 How does the song end? ★★☆

Each line is a short song in C major. Look at its last two chords and write the cadence. The first is done.

CHORDS	CADENCE
C F G C	**perfect**
C Am F G	
C F C	
C F G Am	

4 Play and listen ★☆☆

Play each pair and say what you hear: the end, Amen, waiting, or surprise. Tick a circle each day.

G7 → C ○ ○ ○ **G7 → Am** ○ ○ ○ **F → C** ○ ○ ○
