# Chapter 4 · Reading the Staff (v4)

v3 답을 반영했어요. **인물은 고르신 조합(왕 A · 클라라 A · 여왕 A)으로 전부 갈아 끼웠고**, 이제 7쪽이에요.

## 바뀐 것

| | |
|---|---|
| 가족 캐릭터 확정: 왕 A(하얀 수염) · 클라라 A(땋은 머리+티아라) · 여왕 A(올림머리+진주) — 모든 그림에 반영 | 전체 |
| 2쪽 활동은 **손 오선 하나만** (실제 레슨에서 쓰시는 것) — 연필 꼬치 시험 뺌 | 2쪽 |
| 3쪽 **내려가기 추가**: 한 걸음은 언덕처럼 올라갔다 내려오고, 화살표는 양쪽을 가리켜요; 피아노 활동도 올라갔다 내려와요 | 3쪽 |
| 6쪽 접기 없음: 쓴 가운데 도가 **여왕의 오선 바로 아래**에 붙거나 **왕의 오선 바로 위**에 붙는 것, 같은 세로줄 + "같은 건반!" 점선으로. 접기 활동은 5챕터의 세 C(가운데 도·높은자리 C·낮은자리 C)에서 | 6쪽 |
| **기준 음(랜드마크) 쪽은 5챕터로 이동** — 이 챕터는 소개와 아홉 음까지, 빨리 읽기는 다음 챕터 | 7쪽 → 5챕터 |
| 다섯 가지 확인의 마지막 줄: "두 오선에서 가운데 도를 찾을 수 있어요 — 위에 붙어도 아래에 붙어도 같은 건반" | 7쪽 |

## 남은 결정

**F1. 이대로 적용 들어갈까요?**

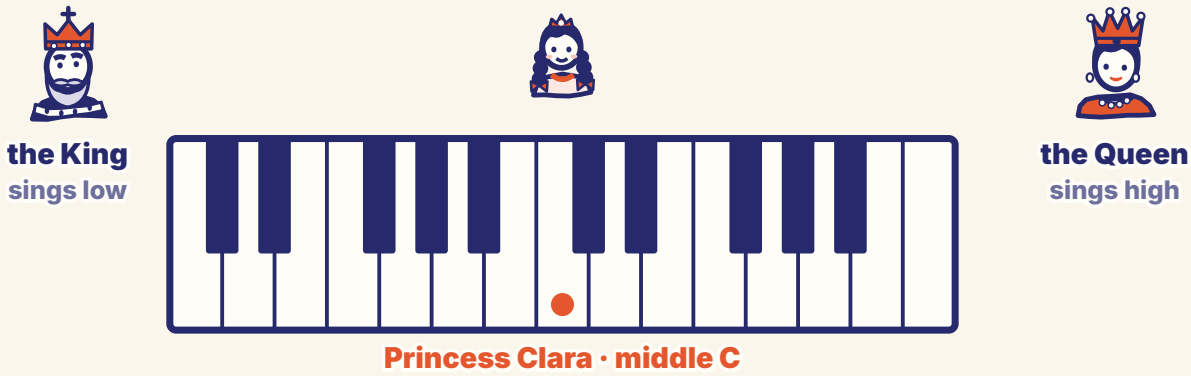

앱 레슨(책 그대로 화면에) + 드릴 7단계 + 워크북 + 선생님용 + 가이드 페이지(Q1~Q3 답 포함) + 3챕터의 클라라도 새 디자인으로.

**F2. 드릴 7단계 중 "기준 음"이 들어가던 자리는 그대로 두고, 빨리 읽기 연습만 5챕터 드릴로 보낼게요 — OK?**

CHAPTER 4

# Reading the Staff

Meet the royal family of the keys. The King sings low, the Queen sings high, and Princess Clara lives between them on middle C. This chapter writes their notes down, so your eyes can read what your hands play.

## In this chapter

- ☐ Lines and spaces **page 2**
- ☐ Up the staff, up the piano **page 3**
- ☐ The Queen's five **page 4**
- ☐ The King's five **page 5**
- ☐ Middle C: Princess Clara **page 6**
- ☐ My five checks **page 7**

## By the end, you can

- ✔ tell a line note from a space note
- ✔ see a step or a skip on the staff, and play it
- ✔ read C D E F G in the treble clef
- ✔ read F G A B C in the bass clef
- ✔ find middle C on both staves -- attached up or down, the same key

Step 1

# Lines and spaces

The staff has **five lines** and **four spaces**. Count them **from the bottom**: line 1 is the lowest, line 5 the highest; space 1 sits just above line 1. Every note lives either **on a line** -- the line runs straight through its middle, like a kebab -- or **in a space**: it fills the space and touches the line above and the line below, like a sandwich filling.

## Try it

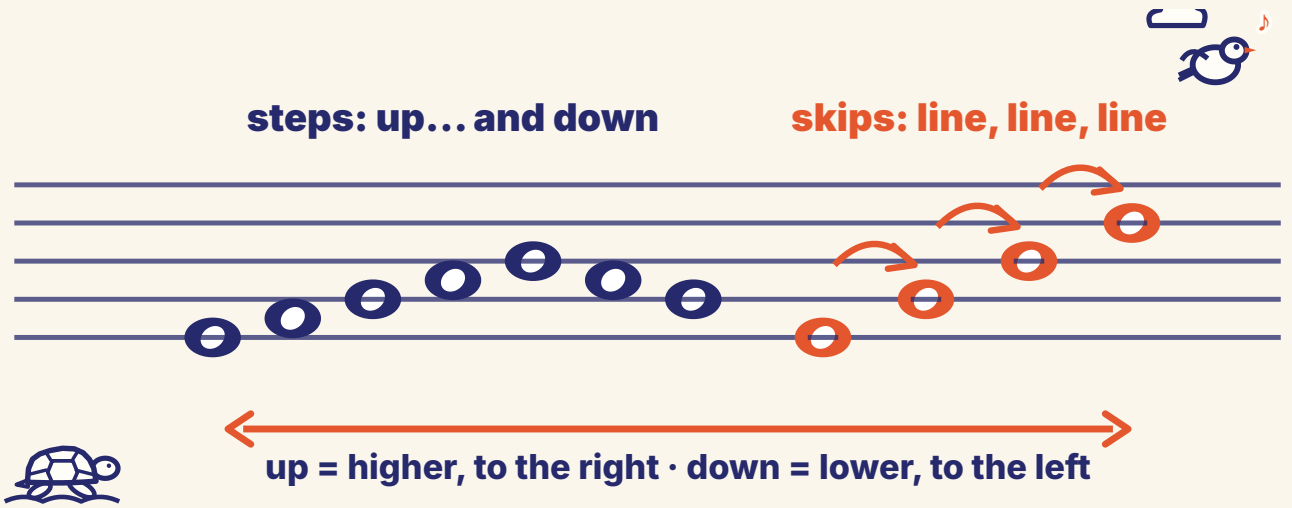

1. **The hand staff:** hold one hand out sideways, fingers spread: 5 fingers = 5 lines, the 4 gaps = 4 spaces. Someone touches one; say line or space, and which number. ☐

REMEMBER **On a line: the line runs through it. In a space: it touches both lines.**

Step 2

# Up the staff, up the piano

The staff is a map of the keys. A note **higher** on the staff sounds **higher** -- it is further to the right on the piano, up towards the bird; **lower** on the staff is further left, down towards the turtle. From a line to the very next space is a **step**: the next letter, the next white key. From a line to the next line -- or a space to the next space -- is a **skip**: the same skip as in Chapter 3, one letter jumped over.

## At the piano

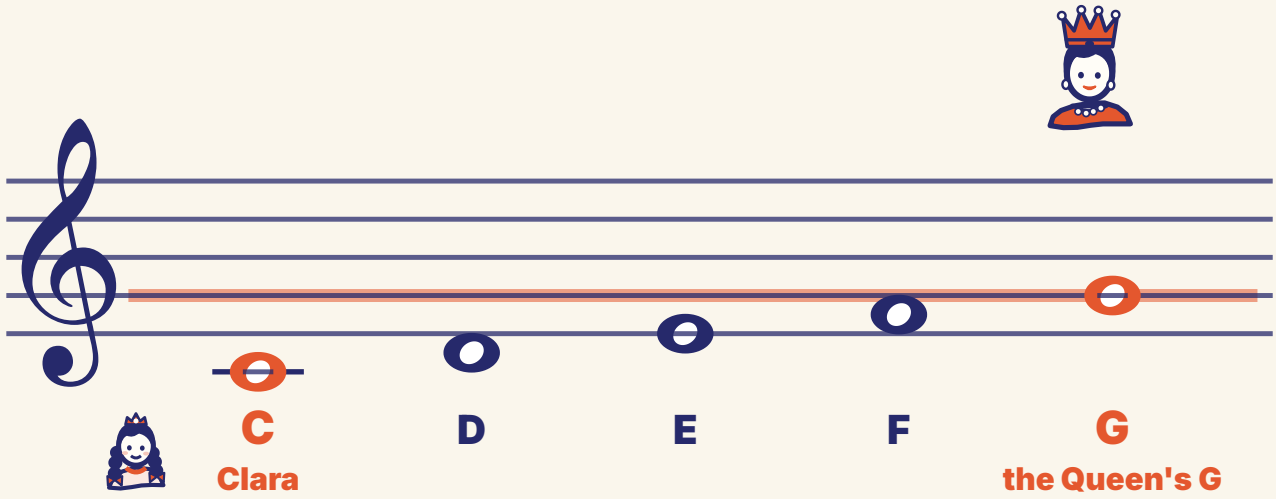

1. Start on any white key and play the picture's **steps**: up to the top of the hill and **back down** -- the next key each time. ☐
2. Now the **skips**: line, line, line going up -- a key jumped over each time. Then skip your way back down. ☐

**REMEMBER** **Line to space: a step. Line to line: a skip. Up or down.**

Step 3

# The Queen's five

This curly sign is the **treble clef**. Long ago it was simply a letter **G**. Its curl wraps round the **second line** from the bottom, and that line is the **Queen's house**: every note on it is **G**. The Queen sings high, and usually the **right hand** reads her staff. From Princess Clara (middle C) up to the Queen's G is exactly **five notes**: C D E F G -- Clara on her little ladder rung under the staff, D just under line 1, E on line 1, F in space 1, G on the Queen's line.

## At the piano

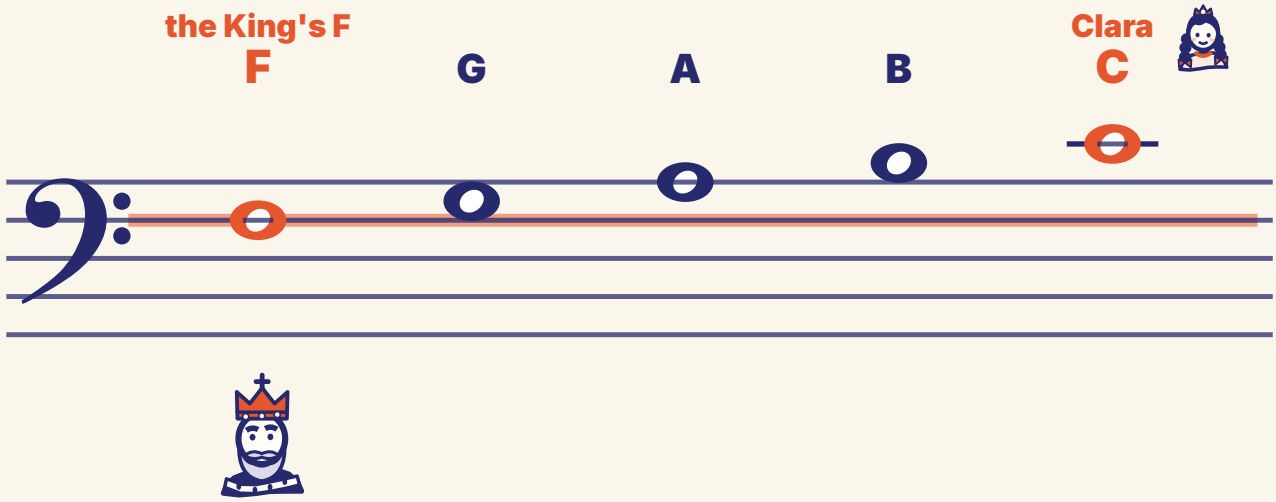

1. With your right hand, walk up from **middle C** to **G**: C D E F G -- looking at the staff picture, saying the letters. ☐
2. Someone points to one of the five: count down from the Queen's G or up from Clara's C, name it, play it. ☐
3. **Draw the Queen's curl:** a treble clef **starts on the G line** and spirals out -- it begins at the Queen's house! (The Workbook has one to trace.) ☐

REMEMBER **The curl wraps round G: the Queen's line. Clara to the Queen: C D E F G.**

Step 4

# The King's five

This sign is the **bass clef**. It began as a letter **F**. The King's house is the **fourth line** from the bottom, and the clef's **two dots** are his guards, one just above his line and one just below. The line between the guards is **F**. The King sings low, and usually the **left hand** reads his staff. From the King's F up to Princess Clara is **five notes** too: F G A B C -- F on the King's line, G in the space above, A on the top line, B just over it, and Clara on her little ladder rung above the staff.

## At the piano

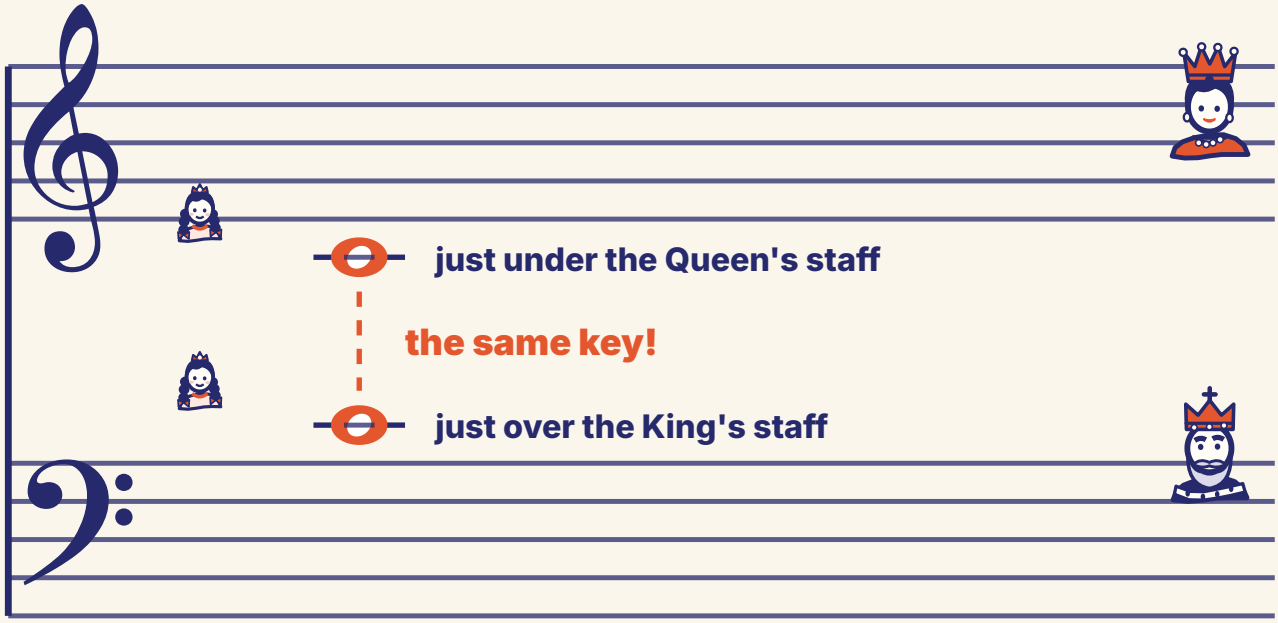

1. With your left hand, walk down from **middle C** to **F**: C B A G F -- then back up from F: F G A B C. ☐
2. Someone points to one of the five: count from the King's F or from Clara's C, name it, play it. ☐
3. **Draw the King's guards:** a bass clef **starts with a dot on the F line** and curls down -- then the two guards, one above the F line and one below. (The Workbook has one to trace.) ☐

REMEMBER **The two dots guard F: the King's line. The King to Clara: F G A B C.**

Step 5

# Middle C: Princess Clara

Put the Queen's staff on top and the King's underneath, joined by a line at the start: that is the **grand staff** -- one staff for each hand. Between the two palaces, on **middle C**, lives **Princess Clara** -- the ground from Chapter 2. Her note is written on **a little ladder rung of its own**: **just under** the Queen's staff when it belongs up there, **just over** the King's when it belongs down. Two places on paper, **one key** on the piano -- that is why Clara stands by both.

## At the piano

1. Play **middle C**: Clara's place, the one key both hands can reach. ☐
2. **Which palace?** Someone writes Clara's note under the top staff or over the bottom one: attached up or attached down, it is **the same key** -- play middle C each time, with the right hand and with the left. ☐

REMEMBER **Clara lives between the Queen and the King -- the same key on either staff.**

Check-up

# My five checks

At the piano: show each one, then tick how it is going -- not yet, nearly, or got it! On paper: do the check-up below.

## At the piano

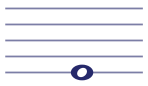

| | | Not yet | Nearly | Got it! |
|---|---|---|---|---|
|  | I can tell a line note from a space note, and count them from the bottom | ○ | ◑ | ☆ |
|  | I can see a step or a skip on the staff, and play it | ○ | ◑ | ☆ |
|  C–G | I can read the Queen's five: C D E F G in the treble clef | ○ | ◑ | ☆ |
|  F–C | I can read the King's five: F G A B C in the bass clef | ○ | ◑ | ☆ |
|  C | I can find middle C on both staves -- attached up or down, the same key | ○ | ◑ | ☆ |

Tick a box each time it gets better: not yet, then nearly, then got it!
