CHAPTER 5 · THE WHOLE STAFF

Lesson Book draft v1 + review pack

Built on what you already decided: **Queensland** = the treble staff and **Kingsland** = the bass staff (d2); the sayings each **belong to a land**, and **crown check first** (your guide answer: children mix up the four sentences and don't look at the clef first); the **fold at middle C with the three Cs** (w4); the **landmarks** moved here from chapter 4. It also follows the Book rules: one idea per page, nothing twice, set tasks, big and full pages.

The draft, 7 pages: 1 the map of two lands · 2 Crown check first · 3 Queensland (Every Good Boy Deserves Fun on the lines, the Queen's FACE in the spaces) · 4 Kingsland (the King's dragon on the lines, his cows in the spaces) · 5 Fold at Clara's rung (G meets F, C meets C) · 6 Five landmarks (read fast from the nearest one) · 7 My five checks. Ledger lines still wait for chapter 6.

How to answer: reply with codes, e.g. "B1 yes, B2 ..., A5 ok". Yellow marks in the draft (B1, B2, B3, B5) show the lines that wait for your answers.

Three questions for the public guide page

G1	When your students read the whole staff, what goes wrong most often? (For example: using the treble sayings on the bass staff, counting every note from the bottom line.)
G2	Rhymes first or landmarks first -- and how do you move a student from saying the rhyme to reading fast?
G3	One tip for parents for this chapter: what should five minutes at home look like?

What's in this pack

A · what today's chapter 5 does (the online lesson and drill that exist now) · B · your decisions, each with my recommendation · the 7 draft pages · today's online lesson, for comparison.

A · What today's chapter 5 does

Today chapter 5 is only an online lesson (5 tool steps) and a 4-level drill, made when the chapter was split off in Phase 402. No Lesson Book, Workbook, Teacher copy or guide page yet.

A1 The lesson opens with all **four sayings in one paragraph**, with no owner and no crown check -- exactly the mix-up in your guide answer. **Draft:** crown check is step 1, and each saying lives in its own land.

A2 Names don't match chapter 4: "Treble G", "Bass F", "Middle C". **Draft:** the Queen's G, the King's F, Clara's C.

A3 **High C and Low C (two ledger lines)** are in the landmark tool and the fold tool -- ledger lines are chapter 6. They come out of chapter 5.

A4 Middle C is "on its own little **ledger line**" -- chapter 4 calls it Clara's **ladder rung**; the word ledger line waits for chapter 6.

A5 The online lesson is not the Lesson Book on screen yet. After your OK it becomes the book on screen, like chapters 1-4; the fold, landmark hop, flash cards and write-it tools stay as its moving parts.

A6 The drill has 4 levels (treble, bass, both, keys): no crown-check level and no landmark level; the treble and bass levels also use the notes just outside the staff without saying so (see B3, B6).

A7 No Workbook, Teacher copy or guide page yet -- after the Lesson Book, I'll build them by the Book rules (set, solo, big, filled; nothing twice).

A8 The chapter's picture in the app and on the house map is chapter 4's. It gets its own: the two lands.

New drawings

D1 Two new pen characters on page 4: **the King's dragon** (green, coral wings) flying above his lines, and **one of his cows** beside his spaces. First versions -- tell me if you want them changed.

B · Your decisions

B1 **The four sayings.** Keep the ones in the app: Every Good Boy Deserves Fun · FACE · Great Big Dragon Flies Away · All Cows Eat Grass? (Some teachers say "Deserves Fruit".)
Rec keep them as they are.

B2 **Names for the two space Cs** (treble space 3, bass space 2): "Queensland C" and "Kingsland C"? Other options: "treble C / bass C", or "the Queen's C / the King's C" (but the Queen's five already start on Clara's C).
Rec Queensland C and Kingsland C.

B3 **The notes just outside the staves** -- G over Queensland's top line, F under Kingsland's bottom line (D and B were chapter 4's). In chapter 5 (no ledger line needed; the drill already uses them), or wait for chapter 6?
Rec chapter 5, one line each on pages 3 and 4 (as drafted).

B4 **The order:** crown check → Queensland → Kingsland → fold → landmarks. The fold brings in the two space Cs and the G/F pair; the landmarks page then uses them to read fast.
Rec as drafted.

B5 **The mirror walk** (page 5): both thumbs share middle C, the right hand walks up C D E F G while the left walks down C B A G F, at the same time. Together, or one hand after the other?
Rec together -- it is the fold you can feel.

B6 **Drill levels**, one idea each (like chapter 4): 1 Crown check -- same spot, which land? · 2 Queensland lines and spaces · 3 Kingsland lines and spaces · 4 The five landmarks · 5 Landmark hop (a step or a skip from one) · 6 Both lands mixed, fast (the flash cards) · 7 Find it on the keys (exact octave).
Rec these seven.

B7 **Workbook ideas** (set and solo, built after the book): W1 rhyme ladders (write each line's letter, then the saying's word) · W2 crown-check pairs (the same spot in both lands: write both names) · W3 fold the page (a printed grand staff to fold on the dashed line, then write which notes met) · W4 landmark hop strips · W5 the King's cows: draw a cow on each A C E G note, and the Queen's FACE: write her face's letters · W6 a secret message across both lands · last page the check-up on paper.
Rec all six -- tell me any to drop.

B8 **The opener picture:** minimal, as you asked for chapter 4 -- the grand staff with the two land names and the royal family at the end of the lines. Or a drawn map (two lands with Clara's rung between)?
Rec keep it minimal.

CHAPTER 5

The Whole Staff

The staff is a map of two lands. The top staff is Queensland, the Queen's land; the bottom staff is Kingsland, the King's. Chapter 4 read the nine notes round Princess Clara. Now you can read every line and space in both lands.

In this chapter

- [ ] Crown check first 2
- [ ] Queensland 3
- [ ] Kingsland 4
- [ ] Fold at Clara's rung 5
- [ ] Five landmarks 6
- [ ] My five checks 7

By the end, you can

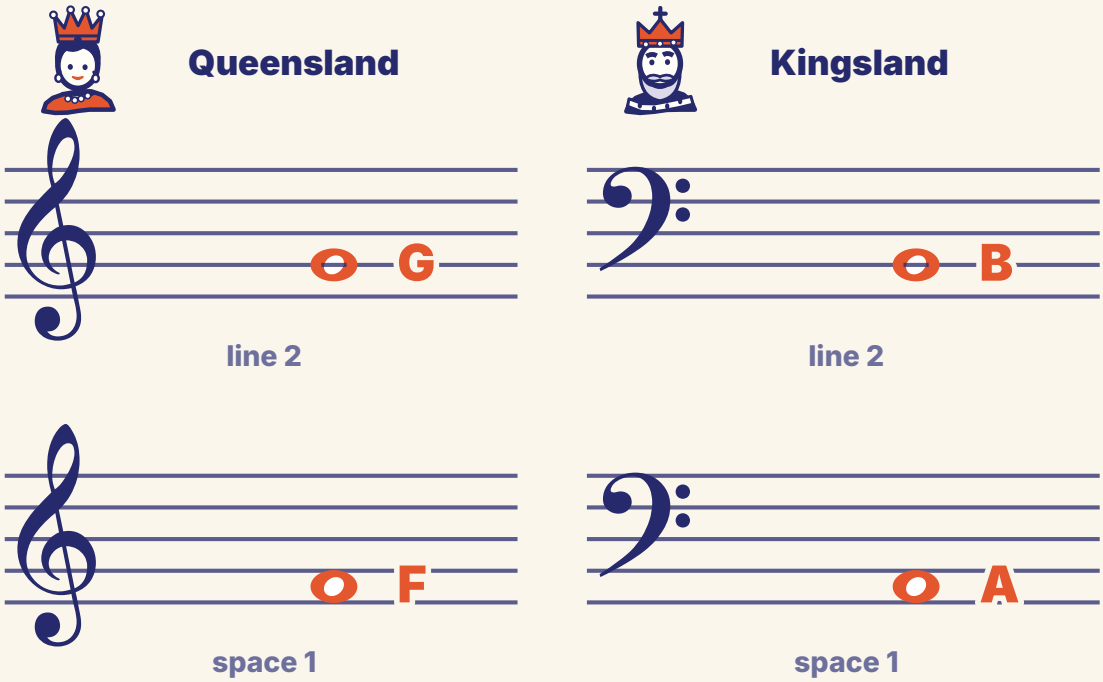

- [ ] check the crown before you read
- [ ] read every line and space in Queensland
- [ ] read every line and space in Kingsland
- [ ] find the partner note across the fold
- [ ] read fast from five landmarks

online

Step 1

Crown check first

The two lands have the same lines and spaces, but different names. **Line 2** is **G** in Queensland and **B** in Kingsland; **space 1** is **F** in one and **A** in the other. So before you read any note, look at the **crown** at the start of the line -- the clef: the Queen's curl means Queensland, the King's two dots mean Kingsland.

At the piano

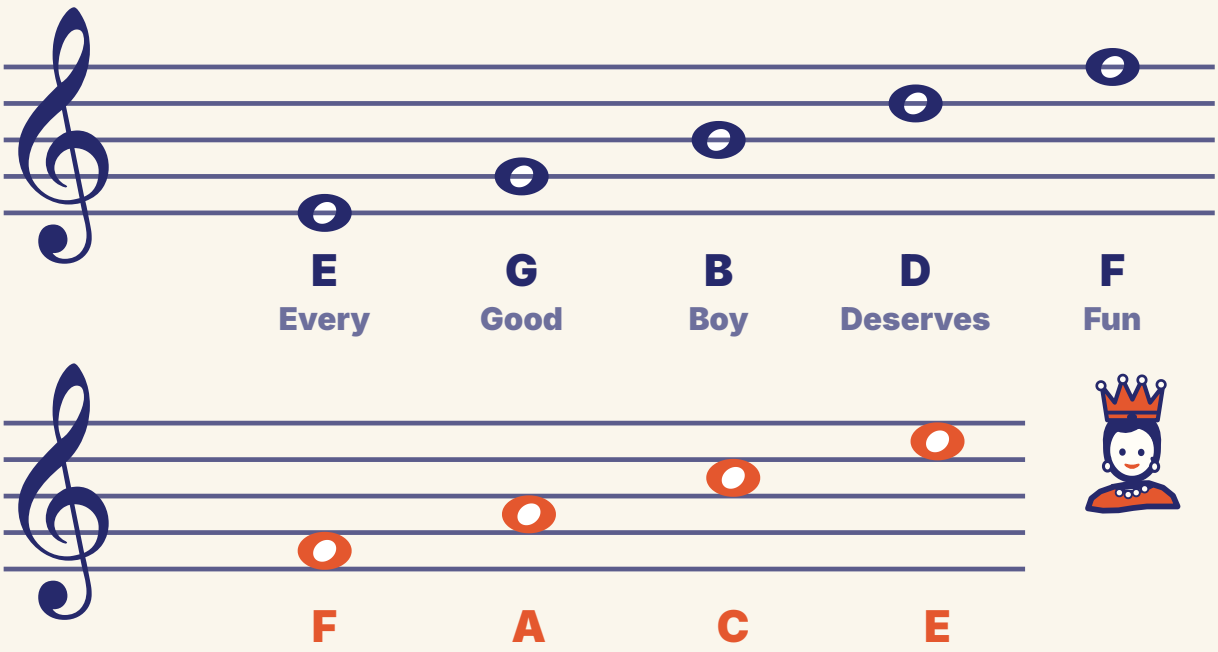

1. **Crown check game:** your teacher shows a note card -- call out "Queensland!" or "Kingsland!" before anything else. Then name the note and play it. ☐
2. Same place, two names: play line 2 in both lands -- G with the right hand, B with the left. ☐

REMEMBER **Crown check first: whose land is it?**

Step 2

Queensland

The Queen's land has two sayings. Her five **lines**, from the bottom, are **E G B D F** -- her favourite saying, B1 **Every Good Boy Deserves Fun**. Her four **spaces** are **F A C E**: the Queen's **FACE** is hiding in her spaces. Line to line is a skip, so both sayings skip a letter each time.

At the piano

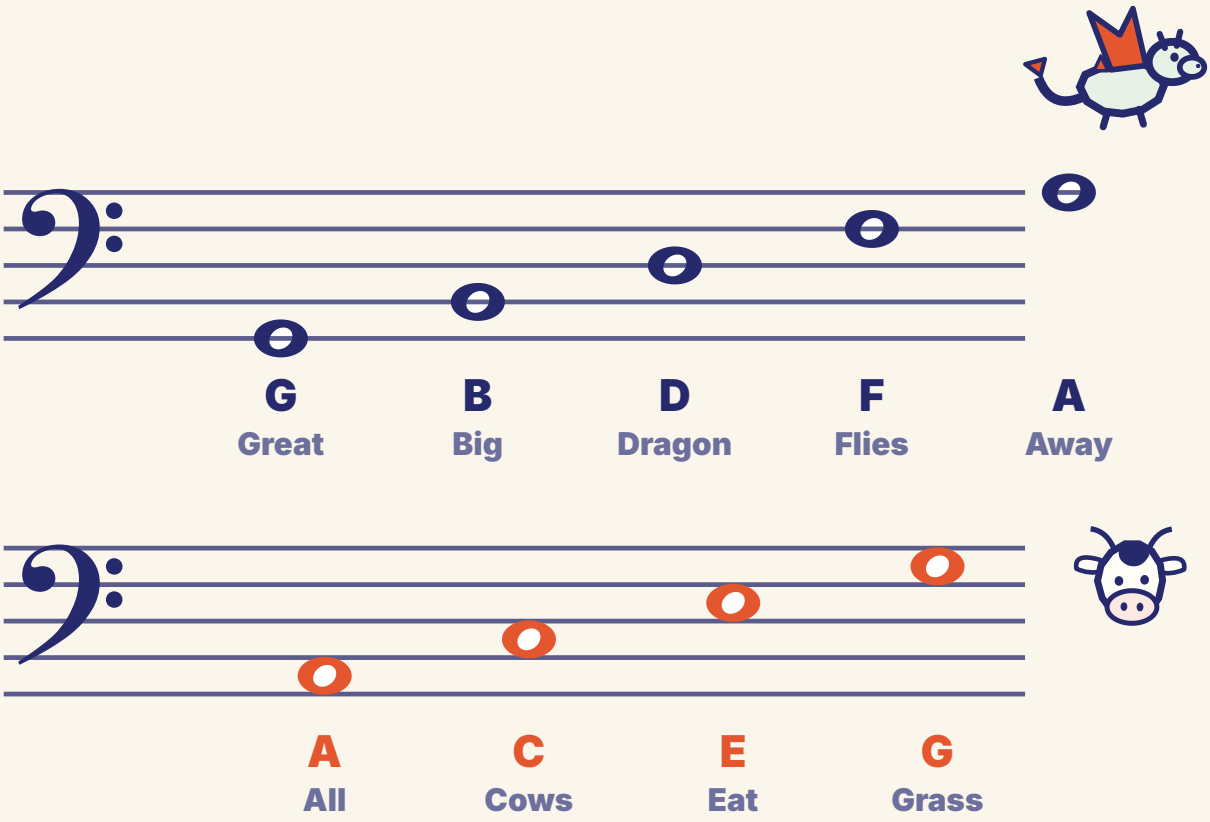

1. With your right hand, skip up the lines: **E G B D F** -- saying the words as you go. ☐
2. Now the spaces: **F A C E** -- "the Queen's FACE!" ☐
3. B3 Just over the top line sits **G**; just under the bottom line is Chapter 4's **D**. ☐

REMEMBER **Queensland: Every Good Boy Deserves Fun on the lines, the Queen's FACE in the spaces.**

Step 3

Kingsland

The King's land has two sayings too. His five **lines** are **G B D F A** -- the King's dragon flies along them: **Great Big Dragon Flies Away**. His four **spaces** are **A C E G** -- his cows graze in the green spaces: **All Cows Eat Grass**. The Queen's sayings only work in her land, the King's only in his.

At the piano

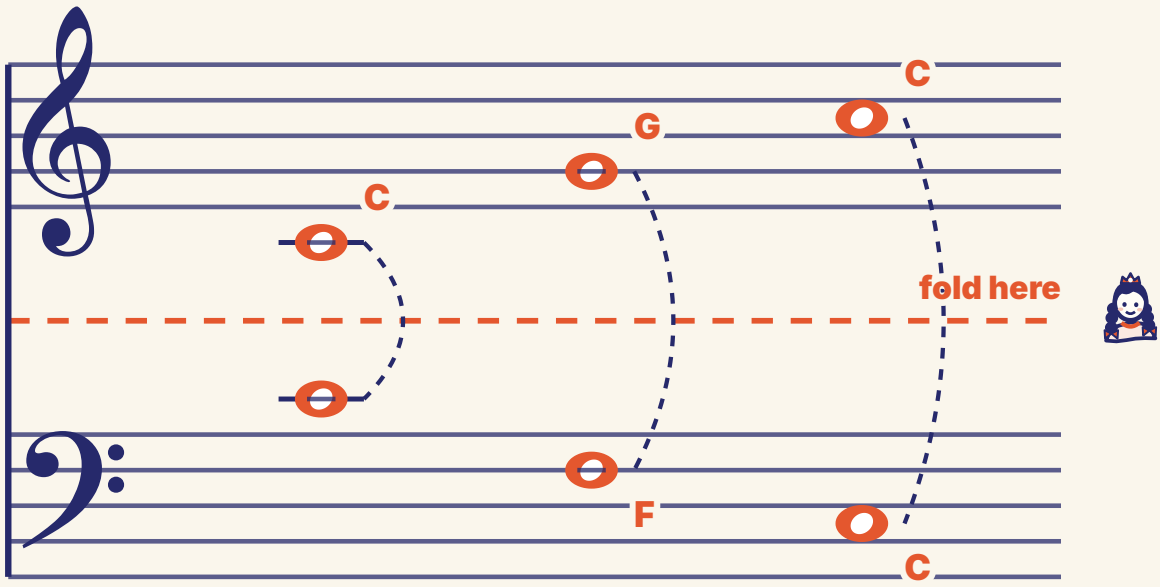

1. With your left hand, skip up the lines: **G B D F A** -- "the dragon flies away!" ☐
2. Now the spaces: **A C E G** -- "all cows eat grass". ☐
3. [B3] Just over the top line is Chapter 4's **B**; just under the bottom line sits **F**. ☐

REMEMBER **Kingsland: the King's dragon flies on the lines, his cows eat grass in the spaces.**

Step 4

Fold at Clara's rung

Fold the grand staff in half between the staves, at **Clara's rung**. Lines land on lines, spaces on spaces. **The Queen's G** lands on **the King's F** -- five up from Clara, five down -- and the **C** in Queensland's spaces lands on the **C** in Kingsland's. Clara lands on Clara. That makes **three Cs**: one up, Clara in the middle, one down.

At the piano

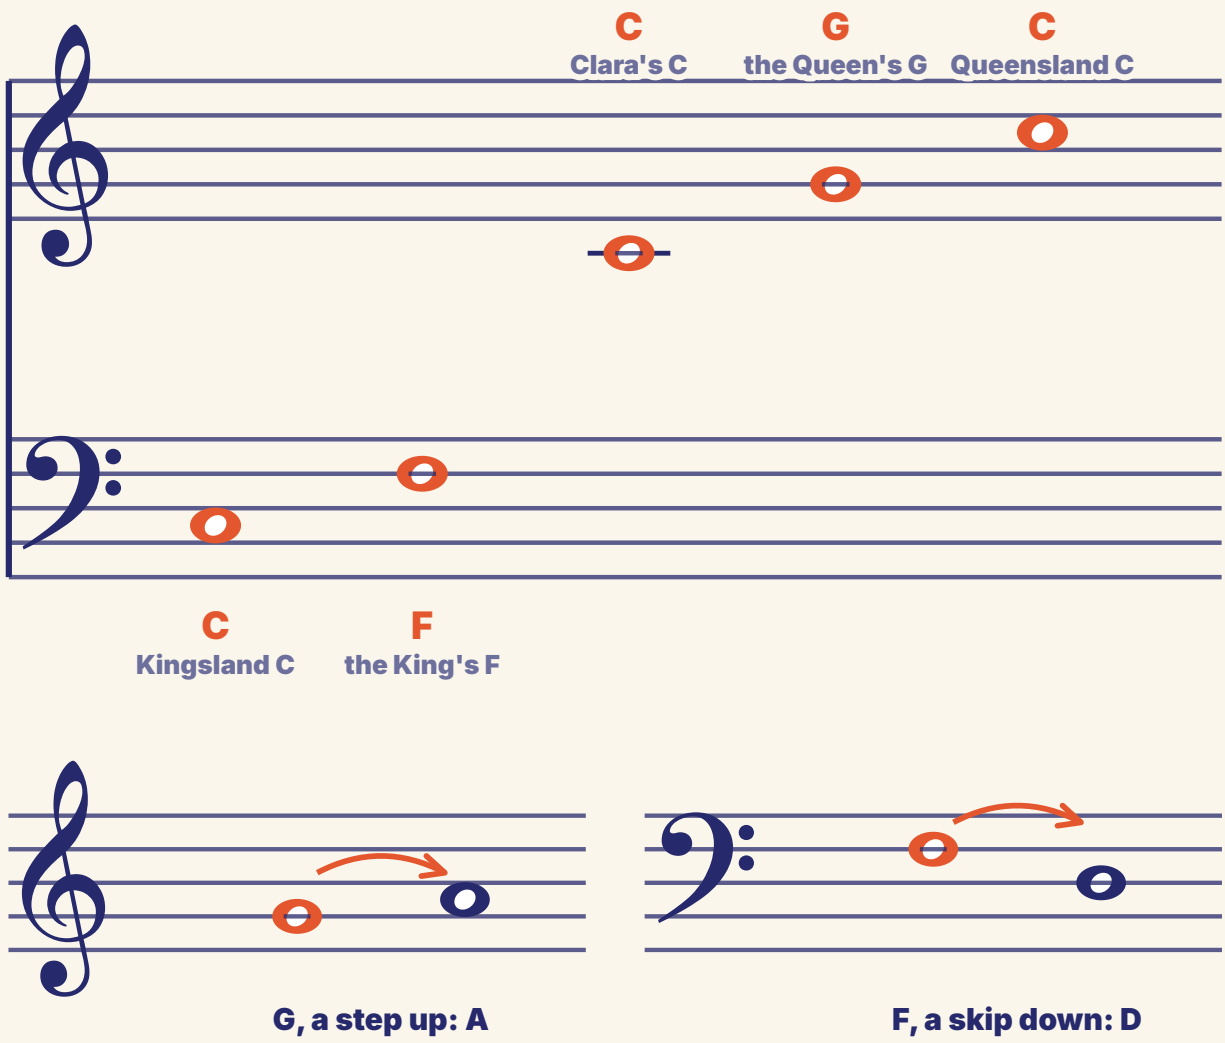

1. B5 **The mirror walk:** both thumbs on middle C. The right hand walks up C D E F G while the left walks down C B A G F -- the same finger numbers, at the same time. The last two, G and F, are the partners that meet in the fold. ☐
2. **Three Cs:** play Kingsland C with the left hand, Clara's C with both thumbs, Queensland C with the right -- low to high. ☐

REMEMBER **Fold at Clara: G meets F, C meets C.**

Step 5

Five landmarks

Fast readers don't say the whole saying every time. They jump from the nearest **landmark**, a step or a skip away. The five landmarks: B2 **Kingsland C**, **the King's F**, **Clara's C**, **the Queen's G** and B2 **Queensland C** -- the very notes that met in the fold.

At the piano

1. Play the five landmarks from low to high: C, F, C, G, C -- naming each one. ☐
2. **Landmark hop:** your teacher points to a note: crown check → nearest landmark → a step or a skip → name it → play it. ☐

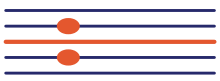

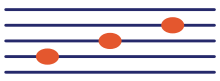

REMEMBER **Find the nearest landmark, then step or skip.**

Check-up

My five checks

Show each one at the piano, then tick how it is going -- not yet, nearly, or got it! The check-up on paper is in the Workbook.

At the piano

	Not yet	Nearly	Got it!
 **Crown check first: I say whose land it is before I name a note**	○	◑	☆
 **FACE** **I can read every line and space in Queensland**	○	◑	☆
 **ACEG** **I can read every line and space in Kingsland**	○	◑	☆
 **I can fold the staff in my head: G meets F, C meets C**	○	◑	☆
 **I can read any note fast from its nearest landmark**	○	◑	☆

Tick a box each time it gets better: not yet, then nearly, then got it!

Today's online lesson, for comparison

The rhymes first, then landmarks (Treble G, Bass F, High C, Low C…), the fold (with High C ↔ Low C), flash cards and write-it.

Right: the drill today -- level 1 "Treble clef notes", levels 2-4 bass, both, keys.
