PART I · WHICH NOTE

Pitch

High or low? That is the first question every note answers. Start with the keys under your fingers, then find where they live on the staff and how sharps and flats move them. Everything in this part is in this one picture.

1 **The keyboard** p. 22
the groups of two and three black keys: C sits just left of the two

2 **The staff and the clefs** p. 24
the treble clef names the G line, the bass clef the F line

3 **Reading the notes** p. 26
find a landmark note, then step or skip from it

4 **The staff and the keyboard** p. 28
every line and space is one white key

5 **Sharps, flats and naturals** p. 30
a sharp moves one key right, a flat one key left

★ **Tips: when a note reads wrong** p. 32
