A rhyme by Sarah Josepha Hale, first printed in Boston in 1830, about a lamb that followed a girl to school. We sing it to the tune of *Merrily we roll along*.

2 Say and clap

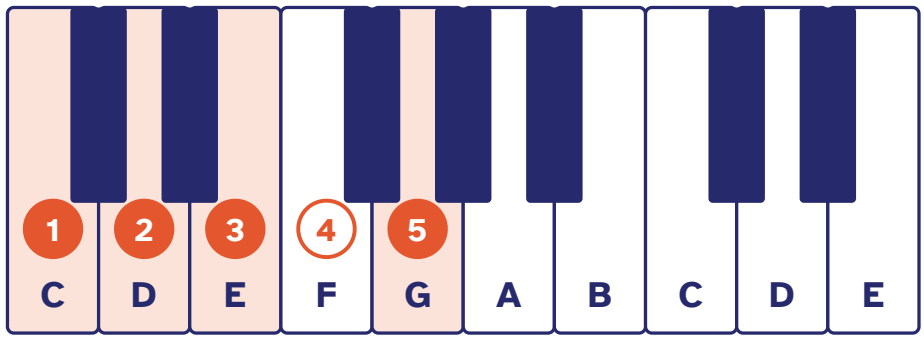

Say the words in time, then clap them and count. Clap on the coral numbers; hold through the grey ones.

- [ ] **Said it in time**
- [ ] **Clapped and counted**

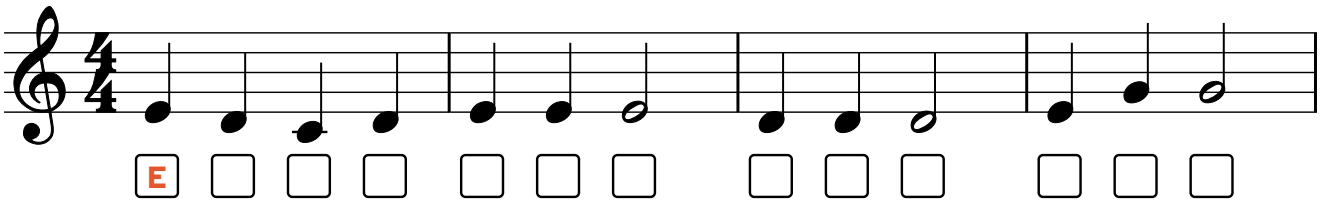

3 Read it

The song uses four notes of C position. Find them on the keys, then on the staff.

C position: the right-hand thumb on middle C. The song's four notes are lit.

Write the letter names of bars 1 to 4 in the boxes. The first one is done.

In bar 4 the tune goes from E to G. Is that a step or a skip? ☐ **a step** ☐ **a skip**

4 Play it four ways

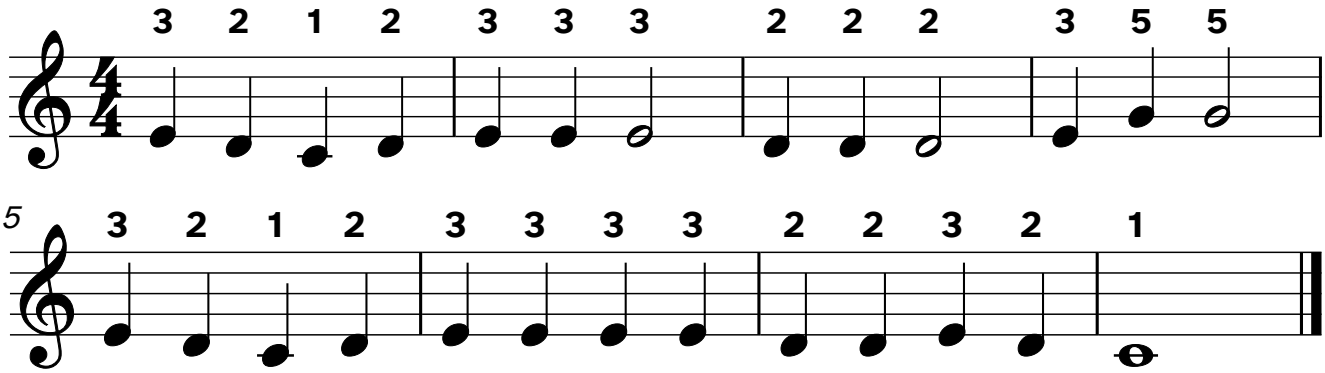

Start with Way 1. Each way adds a little more for the left hand; your teacher tells you which way is yours this week.

PLAY TOGETHER Two players, one song: one plays Way 1, the other the left hand of Way 4. Then swap.

WAY 1 The tune

★☆☆☆

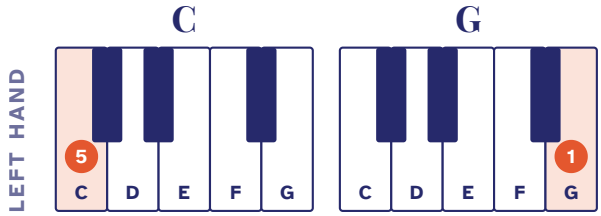

Right hand alone. The numbers are your fingers.

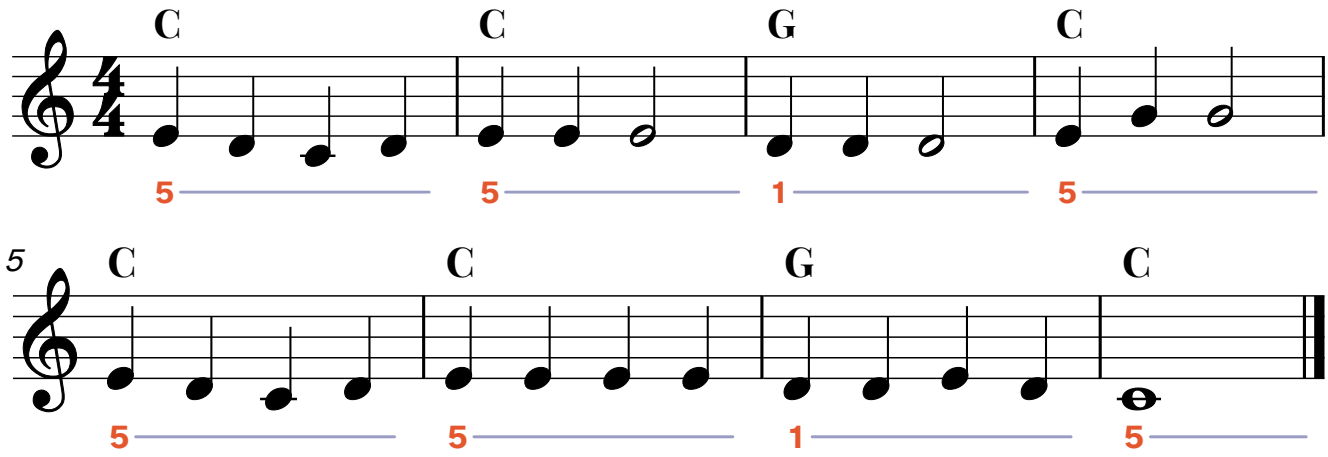

WAY 2 One long note

★★☆☆

The letters above the staff are the chords. Under each bar, your left hand holds one note all bar long: C with finger 5 for C, G with finger 1 for G.

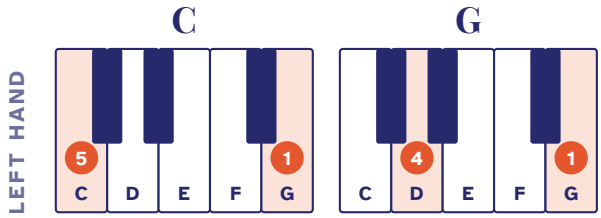

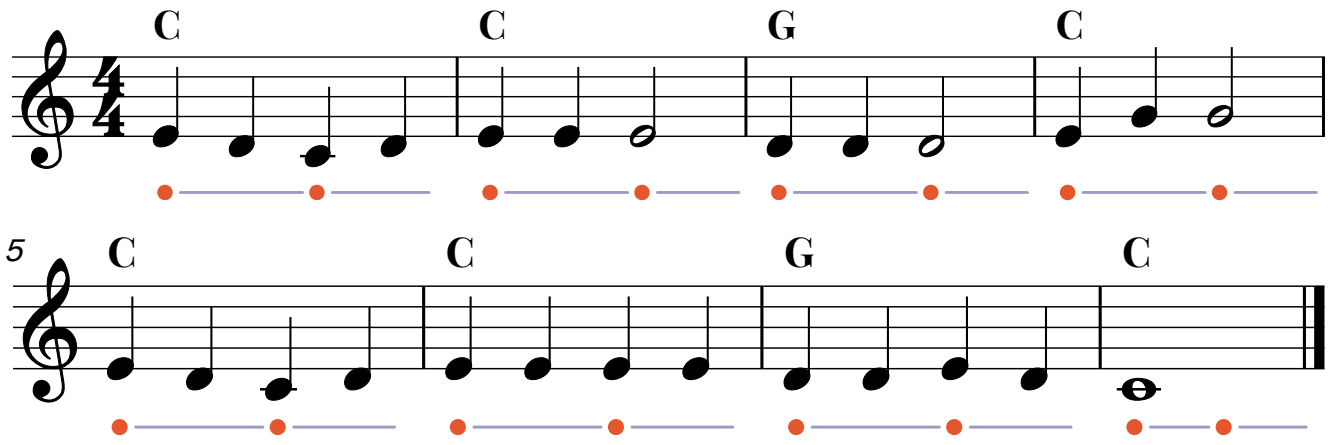

WAY 3 Two notes together

★★★☆

Same chords; now two notes together on beats 1 and 3 (the dots): C and G for C, D and G for G.

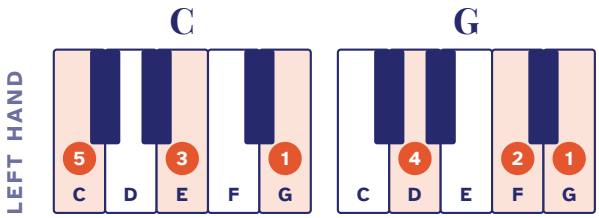

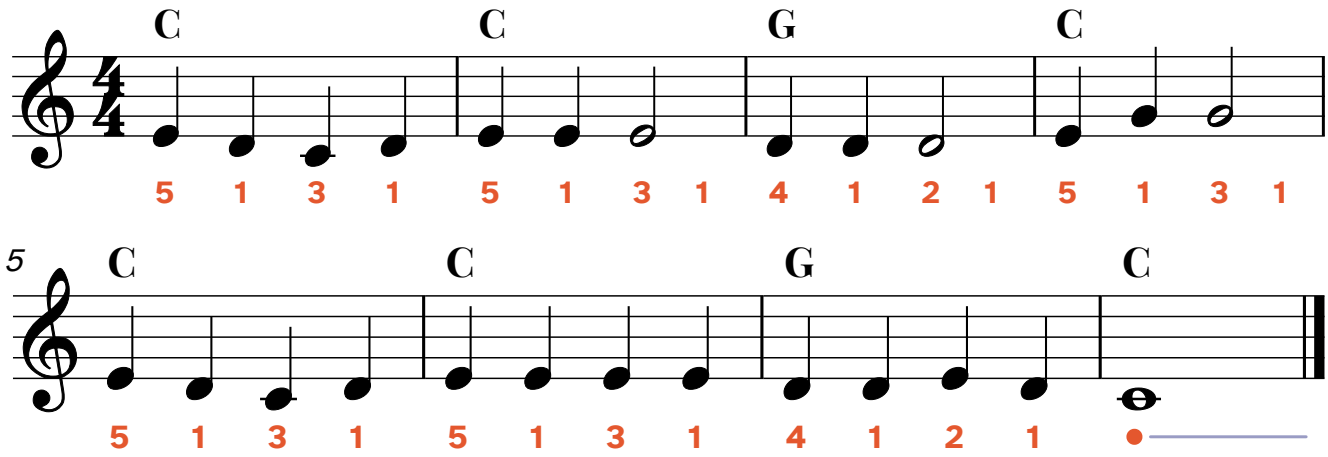

WAY 4 A moving bass

★★★★

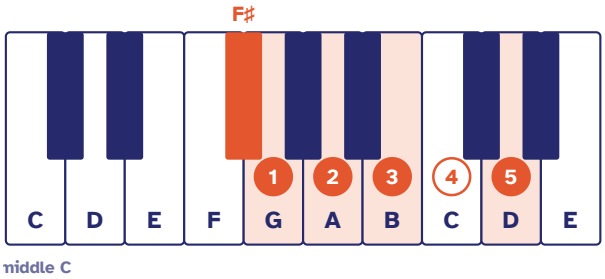

Same chords; now one note a beat. The numbers are your fingers: 5 1 3 1 for C, 4 1 2 1 for G.

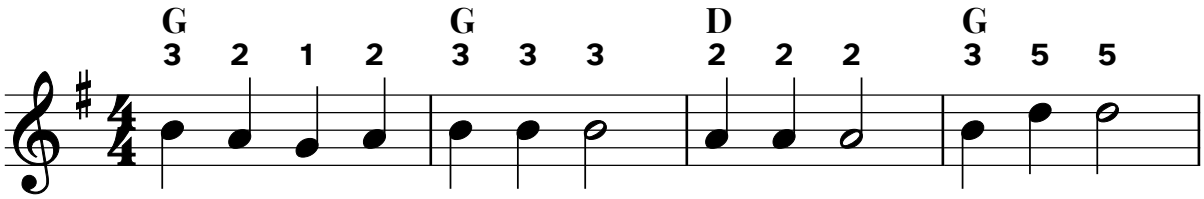

5 Move it to G

Same fingers, new home: thumb on G, and the tune moves with your hand. The chords move too: C becomes G, G becomes D.

G position. The key of G has one black key, F♯: the sharp sign at the start of the staff. This tune never needs it.
